(further only "Contract")

as follows:

I.

Introductory declaration

- 1.1 The Provider is holding a license on providing child care services in a children's group pursuant to Section 4, subsection 1

I.

Subject of the Contract

- 2.1 This Contract delineates providing child care services in a children's group by the Provider to the child, birth certificate no., outlines contents and conditions of this care, and also rights and responsibilities of the Provider and the Recipient.
- 2.2 The child care services in a children's group are provided on these premises: Kotorská 1590/40, 140 00 Prague 4
- 2.3 The Recipient agrees with a possibility of an exceptional change of the premises where the child care services in a children's group are provided, particularly due to operational reasons of the Provider.
- 2.4 Alternative premises where the child care services in a children's group are provided: Rabasova 1068/12, 140 00 Prague 4. These premises meet the hygienic and safety, as well as other legal requirements, for providing child care services in a children's group.
- 2.5 The Recipient further agrees with a possibility of temporary placement of the child in a different children's group managed by the Provider, particularly due to organizational or operational reasons of the Provider. The child will be provided with the same standard services as he/she is provided with in a children's group where he/she is registered, according to this Contract.
- 2.6 Times of providing child care services in a children's group are set to the time period from Monday through Friday, from 6:30 a.m. to 5 p.m.
- 2.7 The recipient acknowledges that the stay in the DS is intended for the regular attendance for a child for a 5 days at week.
- 2.8 The Recipient acknowledges that providing child care services in a children's group does not take place in the period of time before Christmas holidays and between the Christmas and New Year's holidays. Specifically, the services are not provided from.... to.... The Recipient agrees with the above stated by undersigning this Contract.
- 2.9 Further, the Recipient agrees to and acknowledges that child care services in a children's group are not provided during the summer vacation period, specifically, during months of July and August, due to technical and operational alterations of the premises where the children's group is operated.

II.

Child care services

- 3.1 For purpose of this Contract, as child care services in a children's group are understood, pursuant to Section 2 of Act. no. 247/2014 Coll., on providing child care services in a children's group, activities consisting of a regular care for a child from one year of age up to the age of starting the compulsory education, which are provided outside of the child's home in a group of children, and which are focused on ensuring that the child's needs are met and on the child's upbringing and development of abilities, as well as cultural and hygienic habits.

III.

Educational program

- 4.1 The Provider hereby undertakes to provide the child of the Recipient with care in a children's group based on a childhood educational program "Learning about the world around us". This

early-childhood educational program takes into account specifics of work with children from age 1 to 4. The program is available for download on the organization's web pages and is also available on the premises of the children's group.

IV.

Payment for the services

- 5.1 The Recipient undertakes to pay in cash, upon signing the contract, a reservation fee of CZK 5,000 within. After paying the reservation fee, the Provider undertakes to guarantee the place in the children's group until the day the child joins this group.
- 5.2 In case the child does not start attending the children's group without the preliminary agreement between the Recipient and the Provider, and the Recipient does not announce this fact at least fifteen (15) days before the presumed start of the child in the children's group the latest, then pursuant to section 14.2 in Article XIV. of this Contract and pursuant to the section mentioned hereinabove, the full amount of the reservation fee belongs to the Provider. The Recipient agrees with the above stated by undersigning this Contract.
- 5.3 On the day the child starts attending the children's group, the reservation fee would be regarded as a deposit and the accounts will be settled by the Provider with the Recipient upon the date when the child terminates the attendance of the children's group, on the termination date of this Contract respectively.
- 5.4 The Recipient hereby undertakes to pay the monthly fee CZK 4000,-for the child care. The amount will be paid retrospectively for each month on basis of the Provider's settlement of expenses. Further, the Recipient undertakes to pay for meals and the child's daily fluid intake on monthly basis retrospectively, according to the number of the days in the given month that the child attended the children's group. The amount will be paid on basis of the Provider's settlement of expenses. The cost of meals is stated in the Operational Rules of the children's group that are an integral part of this Contract, see attachment no. 1.
- 5.5 Payment for the child care services is due on the 5th day of the calendar month following the month, in which the service was provided. Payment for meals is due on the 5th day of the calendar month following the month, in which the meals and drinks were provided.
- 5.6 The contracting parties may chose choose the method of payment for all services provided. Payment can be carried out:
 1. by direct debit payment to the provider's collection account specified in the title of this contract. The Form of the payment order will be given to the Recipient on the day of the child's entry into the group and the Recipient is obliged to return it back to the provider no later than the 5th working day from the day of taking over. This payment order form is also available for download from the provider's website.
 2. the Recipient understands that in case of a different form of payment than the aforementioned, for example, in cash directly on the children's group premises, the Provider reserves the right to impose a fee of CZK 100 for each payment.
- 5.7 The Recipient acknowledges the absence of a child in child group is not a reason to suspend payment for a childcare service according to point 5.4 of this contract. The recipient is

therefore obliged to pay the provider a fee for the childcare service as well as for calendar month in which the child did not physically appear in the children's group.

- 5.8 The recipient acknowledges that the provider has the right to demand the payment for the care provided for a child, even if the recipient does not give the time the end of attendance child in a group. Information on the termination of the child's attendance must be submitted in a writing and to be delivered to the staff of the children's group, or to the provider's directorate, no later than the 15th day of the calendar month the previous month in which the child ceases to attend. Use the sample form that is located on the provider's website.
- 5.9 The recipient acknowledges that if the performance of this contract occurs on the part of the provider impossible due to force majeure, he is obliged to pay compensation for provided childcare, due to the fact that this payment is a payment for securing a place in the DS. For the purposes of the contract, circumstances of force majeure are considered to be extraordinary, objectively unavoidable circumstances preventing the fulfillment of the obligation under this contract, which occurred after the conclusion of this contract and cannot be averted by the provider. Epidemics are also among the higher powers, which may be related to adopt the necessary often appropriate to this situation restrictive measures.

V.
